

10 Reasons to Study in Germany

You are [applying](#) to a university in Germany but do you know the benefits Germany offers to students? Let's explore the 10 main reasons why you should opt for [Germany](#) for your degree program:

1. Internationally Acclaimed Universities:

By choosing a German university one is receiving an education above the global average. Some German universities are ranked amongst the top universities of the world. A student has an opportunity of choosing from more than 14500 [Bachelors and Masters programmes](#).

2. Low Tuition Fees:

The tuition fees in German Universities are low as compared to universities in US, UK and Europe. So you get high quality education at affordable fees.

3. Scholarship Programmes:

Apart from low tuition fees several scholarships are offered to foreign students by both the state government and private institutions.

4. Affordable Cost of Living:

The cost of living in Germany is lower as compared to other countries and several student discounts are offered which reduce it further. An estimated monthly cost of rent, food, transport, health insurance, telephone/internet, study material and leisure activities is around 700-800€.

5. English Programmes for International Students:

To Study in Germany many universities offer courses in English Language to Foreign students so just because you are enrolled in a German university doesn't mean you have to study in German!

6. Work Permit:

Foreign students are allowed to work part-time for 20 hours a week or 120 full days a year. This makes it easy for students to support themselves while studying. Student wages range from 10 to 15 Euros an hour.

7. Benefits of Student Visa:

Germany grants a powerful student visa to international students in terms of rules on staying in the country and traveling. The visa allows you to travel visa-free to 26 Schengen states and apply for a German residency permit that lasts a year after your graduation.

8. Job Opportunities:

Germany was ranked 9th for its perceived stability in recent polls. Germany offers long term work opportunities to bright students. Germany has a booming economy and high employment rates. From big fashion companies like Adidas to big car manufacturers like BMW all try to hire best graduates for their firms.

9. Social Life:

When it comes to living in a different country we humans tend to get homesick but life in Germany is not boring at all and most probably will not make you miss hometown because of its beautiful landscape, rich culture and exuberant history. Due to a large foreign student population you will have fellow students from around the globe in the same situation as you are, who will be ready to mingle, hangout and explore Germany with you.

10. Heart of Europe:

Germany is the heart of Europe. It has exceptional travel links with other European countries by plane or train. Therefore traveling and exploring Europe while Study in Germany will be an easy task. So go ahead and make your stay unforgettable.
